Ringwood Private Hospital direct admissions service is a comprehensive medical access solution that enables the direct admission of medical patients into Ringwood Private Hospital.

Our Medical Officers including Physicians, Geriatricians and Palliative Care Specialists are available to assess and admit your patients who may require in-patient care.

Situations where this may be of assistance include:

- Complex medical co-morbidities requiring ongoing management in an inpatient hospital setting.
- Concerns related to complex polypharmacy.
- Urgent assessment/reassessment of aged care placement.

Ringwood Private Hospitals direct admission process is available to privately insured, compensable DVA, high acuity medical and surgical patients, when referred by a General Practitioner or a Ringwood Private accredited specialist.

Rapid Access Breast Cancer Service

Referrals and enquiries:
P 03 8804 4050

Ringwood Breast Care is a specialised rapid access breast clinic that includes breast screening and diagnostic services. Prompt assessment is coordinated by our team and patients are seen within two working days of a referral. Our multidisciplinary team includes breast consultants, surgeons, oncologists, radiologists, pathologists, radiotherapists and plastic surgeons.

The GenesisCare, Ringwood team is excited to share that our centre has undergone a refresh, and we continue to offer access to personalised cancer care utilising advanced radiation therapy techniques and treatments

Our Ringwood centre has been operating since 1995, with the team dedicated to offering high-quality multidisciplinary care to all patients.

At GenesisCare, we are changing the face of cancer care.
